## 2012 EXECUTING COUNTRIES

## THE EIGHT WORST OFFENDERS IN 2012

## EIGHT PERSISTENT EXECUTIONERS 2007-2012

\* Indicates that the figure Amnesty International has calculated is a minimum. Where \* is not preceded by a number, it indicates that there were executions but that it was not possible to specify a figure.

This map indicates the general locations of boundaries and jurisdictions and should not be interpreted as Amnesty International's view on disputed territories.

It cannot be excluded that executions did take place in Egypt and Syria, though none could be confirmed by Amnesty International.
